ORDER

As per this office order dated 9.7.2026, a sitting of the Full Bench of Mizoram Lokayukta was held today in the office Chamber of the Hon'ble Chairperson to consider the Inquiry Report dated 15.5.2026 filed by the Inquiry Wing of the Lokayukta on the complaint registered as MLC-88/2025 alleging irregularities in the allocation of work pertaining to the construction of the Ramrikawn to NH-54 road via Sakawrtuichhun, the written statements filed by the Respondents Nos. 3 – 7 pursuant to opportunity extended to all the respondents to do so in a hearing dated 19.6.2026, and supplementary pleadings filed by the complainant on 23.6.2026.

On examination of all the matter on record, it is felt that there are prima facie grounds to proceed with a full investigation, the allegations being of very grave nature and the Inquiry Report concluding that there were lapses on the part of the public servants concerned in the performance of their public duties resulting in a compromise in the quality of the construction and its completion being delayed. The complaint cannot be held to be frivolous or mala fide in the circumstances and no prejudice can be said to be caused to any person, including those not hitherto listed as respondents, if a full investigation were to be conducted in the interest of justice.

Accordingly, it is hereby ordered under Section 19(5) of the Mizoram Lokayukta Act, 2014, that a full investigation shall be carried out by the Anti-Corruption Bureau, Government of Mizoram, to determine criminal culpability, and it shall cover all persons who may be responsible for the failure to act

lawfully in the public interest in respect of the work to which this case relates, at any level whatsoever and whether or not they have already been listed as respondents.
